

**Climate Resilience Zoning Task Force
City of Cambridge, Massachusetts**

**Meeting Agenda #10
Wednesday, November 6, 2019
5:30 PM to 8:00 PM
City Hall Annex
344 Broadway, 4th floor conference room**

5:30 Welcome, Meeting Summaries and Agenda Review

Co-chairs Doug Brown and Iram Farooq; Jeff Roberts, Director of Zoning and Development; Elizabeth Cooper, CBI Facilitator

5:40 Overview of Work to Date and Zoning Approaches Summary

Jeff Roberts, City of Cambridge

- Recap of last meeting's resilient buildings, cool factor, and emergency response discussions and future work plan
- Explanation of zoning summary and three types of zoning provisions: base, city-wide review, and area-specific

6:00 Zoning Approaches Discussion

- Main task: What approaches best align with the Task Force's principles and should be pursued further; what approaches do not align with the Task Force's principles and should not be pursued, focusing on Flood Resilient Building and Site Design approaches
- The Task Force discusses the relative pros and cons of different approaches for each topic
- At the end of discussion, the Task Force determines which potential approaches are worth keeping in discussion

7:40 Public Comment

7:50 Next Steps
